Subject: RoHS3/WEEE

Dear Valued Customer

The European Union's RoHS Directive (Directive 2011/65EU) is related to the regulation of hazardous substance in electrical and electronic equipment. The European Union's WEEE Directive (Directive 2002/96/EC) is related to the collection, treatment, recycling and recovery of, electrical and electronic equipment.

Edal Industries has conducted a RoHS compliance inquiry with our suppliers. Based on this inquiry process, Edal Industries Inc, products are free of hazardous materials as defined by the requirements of **Directive 2011/65f/EU**, The Restriction of use of Certain Hazardous Substances in Electrical and Electronic Equipment (**RoHS3**), **Directive EU 2015/863** amending **Annex II to Directive 2011/65/EU**, and **Directive 2002/96/EC**. Waste Electrical and Electronic Equipment (WEEE).

This declaration is applicable to all Edal Industries products

As we continue to perform or due diligence with material compliance inquiries and subsequently discover otherwise, we will inform affected customers.
